

NOTICE TO MARINERS NO. 7/25

Chart BA 1166 Avonmouth to Hock Cliff

West Coast, River Severn

Severn Estuary – Bathymetric Survey

Mariners are advised that, between Monday 30th June and Thursday 03rd July 2025, the survey vessel "Shoreline" will be conducting further bathymetric survey operations in and adjacent to the main navigation channel from the seaward boundary of the Gloucester harbour (south of the Prince of Wales Bridge) to Sharpness Point and in the lower section of the River Wye seaward of the M48 road bridge. Operations will be around HW periods during daylight hours.

The survey vessel will display the relevant day shapes and will maintain listening watch on VHF channel 13 & 16 whilst operating in the harbour area.

The vessel will not be restricted in her ability to manoeuvre and will liaise with any commercial vessels transiting the main navigational channel, but all vessels are requested to give the survey vessel a wide berth where possible.

Local Notice to Mariners No. 6/25 is now cancelled.

Notices to Mariners may be viewed on the Trustees' website:

www.gloucesterharbourtrustees.org.uk

Owners, Agents and Charterers should ensure that the contents of this Notice are made known to the Masters or persons in charge of their vessels or craft.
