

NOTICE TO MARINERS NO. 11/25

West Coast, River Severn

Severn Estuary – Survey operations

Mariners are advised that bathymetric survey operations are planned to be carried out in the upper reaches of the GHT harbour area between north of Sharpness and Maisemore weir at Gloucester by ABPmer on behalf of the Environment Agency during week commencing Monday 10th November 2025.

The vessel used will be the 5m RIB *Humber Scout* (MMSI 232018821, call sign MEDE3) – see picture below. Vessel will maintain dual watch on VHF Ch. 13 and VHF Ch. 16 throughout operations.

Survey operations will take place between approximately 0900hrs to 1600hrs each day. Expected duration of approximately 5 days depending on conditions.

Notices to Mariners may be viewed on the Trustees' website:

www.gloucesterharbourtrustees.org.uk

Owners, Agents and Charterers should ensure that the contents of this Notice are made known to the Masters or persons in charge of their vessels or craft.
